The screenshot shows a Gmail interface with a browser window at the top. The address bar shows 'mail.google.com/mail/#inbox/15756f03cb492437'. The Gmail header includes the Google logo, a search bar, and navigation icons. The left sidebar contains options like 'Compose', 'Inbox', 'Starred', 'Sent', 'Drafts', and 'More labels'. The main content area displays an email from 'support@c9.io' with the subject 'Team webclassroom has invited you to join their team on Cloud9'. The email body contains a welcome message and a link to accept the invitation. A red box highlights the invitation details. A large grey box with Chinese text is overlaid on the bottom of the email content. The right sidebar shows a 'Cloud9' link and a '9' icon. The bottom of the screen shows a chat window with a '4' icon and a 'Manage' button.

The screenshot shows the Cloud9 signup page. The browser tab is 'Team webclassroom has inv' and the address bar shows 'c9.io/signup/name'. The page has a blue Cloud9 logo in the top left. The main heading is 'Choose a username'. Below it, a paragraph states: 'Your username is permanent and will be seen in your profile URL and your workspace URLs so choose something timeless and classy.' A red rectangle highlights the 'Username' input field, which contains the text 'student25'. Below the input field, a note says: 'A username can contain letters, numbers and underscore. It cannot contain spaces, -, . and non-alphanumeric characters.' At the bottom of the form, there is a green 'Next >' button and a series of five dots, with the second dot from the left being filled, indicating the current step.
